Re: *Arrowood Indemnity Company*
v. Gibson & Behman, P.C.
Case No. 08-CV-6153
Our File No.: 6832

MEMO ENDORSED

Dear Judge Stein:

We represent the defendant Gibson & Behman, P.C., in the above-referenced matter and submit this application, with the consent of plaintiff's counsel, to adjourn the initial conference set for September 12, 2008. The reason for this request is that I will be unavailable and out of the country during that time. I will be belatedly celebrating my 25th wedding anniversary with my wife. I have spoken to Brian Casey, Esq., of the Leahey & Johnson firm, who is agreeable to the request.

There have been no prior requests for adjournments nor extensions. In addition, there are no other scheduled dates which will be affected by this adjournment.

The Court has granted the application to admit Gary Grasso and Adam Bowers *pro hac vice* in this case. Mr. Casey has advised that these two lawyers intend to participate in the preparation of papers opposing the pending Rule 12(b)(6) motion to dismiss plaintiff's complaint. Mr. Casey asked me to pass along his request, which I join, that a briefing schedule be addressed at the time of the initial conference. Mr. Casey has advised me that Mr. Grasso and Mr. Bowers would appreciate such a time table being established to give them some frame work as to when their opposition papers need to be in Court.

8/21/08
Responsive papers to the motion to dismiss are due Sept 19;
reply due Sept 26. Sept 12 conference is cancelled
SO ORDERED *8/21/08*
